Enrollment in a plan can be done on line or by contacting Fidelity Investments and requesting an enrollment packet. WMed assumes no responsibility for the representation of any company representative or for the performance of any investment fund or the payment of any annuity contracted by you. Please consult with your attorney and/or CPA to verify the information in this policy and to determine whether such a program is appropriate for you.

For example, if 2% of your income is \$50 per pay period and you contribute this to your 403(b) account, WMed will contribute \$25 per pay period to your account.

LIFELONG LEARNING

STAFF PROFESSIONAL DEVELOPMENT Policy HR52	Upon employment.	Self-administered	WMed
--	------------------	-------------------	------

Staff employees are able to attend work related conferences and/or seminars to promote lifelong learning, as approved by their supervisor.

Benefit	Eligibility	Carrier	Who Pays?
TUITION REIMBURSEMENT Policy HR74	Full-time (.80 or greater) employees who have completed six (6) months of continuous employment. On-call, temporary, or part-time employees will be eligible to use the benefit upon becoming full-time IF they have worked 520 hours over the previous 12 month period since becoming full-time. This does not include employees directly hired from an agency or mid-level providers.	Self-administered	WMed

Courses taken must be part of an approved degree, diploma, or certification program and directly related to employment within the organization. If the course taken is for personal skill enhancement and is directly related to employment within the organization, it will be considered for tuition reimbursement. However, if the course taken is part of a requirement for the employee's current position, it will not be considered for tuition reimbursement.

Eligible employees may be reimbursed for the cost of tuition and other class-related fees, such as lab fees, health fees, and books. Other expenses such as parking are not eligible. Contact Human Resources if clarification is needed regarding eligible expenses. The tuition reimbursement benefit will be **\$5,250** maximum per calendar year for full-time employees (1.0 FTE). Employees working .80 FTE up to 1.0 FTE will receive prorated tuition reimbursement benefits.

There will be no **advance payment** for course work. Reimbursement will be made to the employee upon successful completion of **pre-authorized** courses. For reimbursement employees must submit a copy of the approved tuition reimbursement form, receipt of payment, and grade received for course.

Successful completion of a course will be defined as a minimum grade of "C" for undergraduate courses, a minimum grade of "B" for graduate courses, and proof of successful completion for certifications and licensing courses.

An employee receiving tuition reimbursement is expected to remain in the employ of WMed for at least one year after completion of the course(s) for which they were reimbursed. Failure to comply will result in the employee reimbursing WMed for the amount of tuition benefit received. For benefit details or to pick up an application, please contact human resources.

Paid time off provides flexibility to staff to utilize paid time off to their best advantage and at the same time provides the organization with the necessary control to maintain its function at an effective staffing level. PTO may be used for vacation days, sick days, and personal days.

Years of Service	Per Pay Period	PTO Hours Per Year	Annual Accruals	
1-5	5:51*	152*	228 hours	*prorated if hired mid-pay period

Accruals will stop at any time during the year where PTO balances exceed the 1.5 times accrual rate.

Benefit	Eligibility	Carrier	Who Pays?
LEAVES OF ABSENCE Policies HR53-HR57	Contingent upon type of leave.	Self-administered	Contingent upon type of leave.

Family and Medical Leave

Certain employees and certain types of medical or personal leaves may qualify for coverage under the Family and Medical Leave Act of 1993. See policy HR57 for details.

Who qualifies? Employees are eligible if they have worked for a covered employer for at least one year, for 1,250 hours over the previous 12 months, and if at least 50 employees are employed by the employer within 75 miles.

What types of leave qualify?

- For incapacity due to pregnancy, prenatal medical care or child birth
- To care for the employee's child after birth, or placement for adoption or foster care
- To care for the employee's spouse, son or daughter, or parent, who has a serious health condition
- For a serious health condition that makes the employee unable to perform the employee's job
- Military family leave entitlements - for certain military-related exigencies
- Certain leaves to care for a covered service member who has a serious injury or illness incurred in the line of duty

What are the benefits of this coverage? While the leave time may be unpaid, the employee will suffer no loss of benefits because they have taken it. The employee may receive job protection under the Act. The limit on the amount of leave is generally 12 weeks in one 12 month period. Employees will be required to use available vacation time prior to the use of unpaid leave, with the exception of residents who may or may not elect to use available vacation time.

Personal Leave

WMed may, in its discretion, grant a personal leave of absence to full-time (.80 - 1.0 FTE) employees who have completed one year of service. Personal leaves will not be granted for vacation purposes or to find other employment. Personal leaves may be granted for up to thirty (30) calendar days. PTO must be used if available to cover the leave, otherwise, personal leave will be unpaid. A Leave of Absence Application and a Benefit Payment Agreement must be submitted. See policy HR53 for details.

Military Leave

Any employee with reserve or National Guard military reserve status may take time off for required active or training duty. If available, the employee may use PTO to cover the leave, otherwise, military leave will be unpaid. WMed may require confirmation of the military orders requiring the time off. The employee will have the option of continuing benefits in accordance with COBRA or USERRA. The employee will be responsible for his/her bi-weekly cost of benefits during the first 60 calendar days of military leave. An employee taking military leave of absence will be reinstated at the conclusion of such leave with such rights and benefits as are specified under state and federal law. Time spent in military service shall also count towards the employee's years of service. See policy HR56 for details.

Jury Duty

WMed encourages its employees to cooperate in the performance of their civic duty by serving in the jury system when summoned. Employees will be compensated at regular base rate of pay for jury duty. In order to receive compensation, an employee must give his/her supervisor prior notice that he/she has been summoned for jury/witness duty.

In most cases, jury duty does not necessitate full-time absence from work and, therefore, the employee is required to report to work to fulfill the remaining scheduled hours of work. This benefit does not apply to an employee appearing in court or before administrative agencies on personal matters (i.e. divorces, lawsuits initiated by the employee, family problems, lawsuits on behalf of past employers, etc.) See policy HR54 for details.

Bereavement

Full-time and part-time employees will become eligible for bereavement leave upon employment in the event of a death in the employee's immediate family. Eligible employees may receive a maximum of three (3) paid days off of work for

such bereavement purposes.

Immediate family is defined as: the employee’s spouse, child, mother, father, sister, brother, mother-in-law, father-in-law, step-mother, step-father, step-child, grandparents, grandchildren and legal guardians. “Grandparents” refers to the employee’s grandparents only, and not to the grandparents-in-law of the employee. Other categories of the employee’s immediate family (i.e. brother-in-law, sister-in-law, etc.) will be defined in the same manner. See policy HR55 for details.
